

# Opportunity for Women & Girls in Edgbaston!

Women  
&  
Theatre

Women & Theatre want to speak with women & girls living in Edgbaston to help shape a new community project linked to the Commonwealth Games.

Taking as inspiration the fact that Women's Cricket will be at the commonwealth games for the first time in 2022, Women & Theatre want to develop a site-specific theatre production about women/girls and cricket.

We are at the very beginning of planning this project and want to speak with people living near to Warwickshire Cricket Ground about the project, about stories of cricket, and about what living close to the cricket ground means to them.

We can arrange individual interviews via Zoom or people can come along to a Group Research Session via Zoom on Tuesday 2 February, 7 - 8pm. There will be further Zoom sessions on other Tuesday evenings during February as we begin to plan the project.
